PRESS RELEASE

June 25, 2009

Holliston Police Warn of Recent Car Breaks

The Holliston Police Department would like to remind all residents to be vigilant in locking their doors and windows. There has been a recent upswing of motor vehicle break-ins in Holliston and other surrounding towns including Ashland, Hopkinton, and Milford. The most common items that have been stolen include GPS units, iPods, and cell phones.

While the current economic recession plays a role in the increase of these break-ins, it is important that residents keep doors and windows to their homes and vehicles locked when they are not home. In addition, do not leave pocketbooks, electronic items, or money in plain view. If possible, secure these items in the trunk or take them with you when you leave.

If you become a victim of a break-in or theft, please contact the Holliston Police Department at 508-429-1212.
